DRIVING SIMULATOR 2012

Explore three large cities that include a range of different roads and highways. The explorers of these cities will be rewarded with great scenic views. You'll be able to drive a plethora of vehicles ranging from an ambulance, a bus, a racing car, a tow truck and a police squad car.

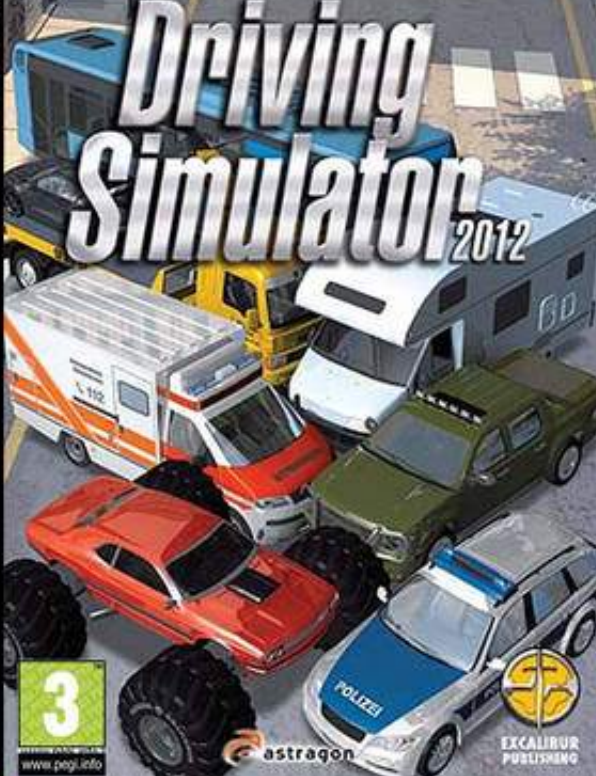

With three huge open cities to explore that feature roads and highways, you'll be able to undertake vehicle specific challenges. Or if you just want to drive around these open cities you can choose to do that instead! Be mindful of how you drive as dangerous driving and violations of traffic regulations will result in fines.
